19 Cases on Docket for Grand Jury To Meet May 2

Charges of Murder Against Three Persons To Be Considered; Pair Accused of Bus Office Holdup Also in List; Session To Last Week.

A Marion county grand jury will convene at 10 o'clock this morning and will begin consideration of 19 cases, including three murder charges and a variety of other offenses.

Examination of witnesses in the various cases and consideration of the charges probably will require a week, Prosecutor R. M. Voth said today.

Two of the murder cases resulted from the fatal shooting of Green G. Miller last New Year's day during an attempted holdup of his Central store at Market. As the result of his death, William Carter, 18, and Charles Sanders, 29, both

lengthy series of robberies and burglaries and a number of shellings in several Ohio cities, will be facing a robbery charge before the grand jury in connection with the robbery of H. F. Smith near April 12, 1931, in which \$300 was taken. Smith, an employee of the Shell Oil Co., was robbed at the station at Kenton avenue and River street.

Other cases scheduled for grand jury consideration during the May term follow: William Ambrose of Marion, charged with manufacturing distilled intoxicating liquors; Emmett Webb of Huntington, W. Va., charged by Police Chief W. L. Hart with breaking and entering the home of J. C. Kelly with intent to commit larceny; Ross Fidler of Marion, charged by J. F. Glison with carrying a questionable check for \$500, Dec. 27, 1936; William H. Rinehart of near Marion, charged by C. A. Arter with embezzling corn worth \$200 while employed by Arter, co-celver for farm property involved in litigation; Edward Burke of near LaRue, charged by Deputy Sheriff Chester Cosgrove and P. W. Wilhelm with issuing forged checks for \$10.75 and \$15.25 on Jan. 12 and Jan. 14, respectively; Ralph Hart of Marion, charged by Chief Marks with a statutory charge.

Consideration of the case of Emmett Webb will be of little or no consequence, since Webb probably will be turned over to West Virginia authorities for prosecution in connection with six burglaries in Huntington, W. Va. Huntington officers already hold indictment against Webb.

Two young men, Robert Huston and Paul Lehner of Marion, are charged with automobile stealing in connection with the theft of a Packard sedan March 23 from Earl Smith here. These two were members of a quartet accused of a series of thefts in which they absconded automobiles and stole money in various Ohio cities in which to continue their trip. Two of the quartet are in Mansfield reformatory under sentence of the juvenile court.

Paul Lewis of Marion, formerly of Columbus, who confessed to police that he participated in a

To lose fat SAFELY and quickly take one half teaspoonful of Kruschen Salts in a glass of hot water in the morning before breakfast. THE GAS COMPANY

HERE is a tire that needs no introduction to several million car owners who have proved its sturdy value and honest wear on the road.

But even to old friends, the price is NEWS. And get this fact—these tires are built by Goodyear—marked with the Goodyear name and house flag—sinewed by that famous Goodyear cord material, Supertwist.

All of which means that these Goodyear Pathfinders can give you more for your money than tires ever gave before, and that is saying a whole of a lot.

If the tread on your tires is getting bald—if the rubber is getting thin—don't flirt with trouble and take chances of skids. You can get a whole set of tires at such prices as these and hardly miss the money.

Read the sample prices shown here—remember they buy Goodyears.

Doesn't that make you ask yourself: "Why buy any second-choice tire when FIRST-choice costs no more?"

TRAVELING MAN
ENDORSES ALL-BRAN

Says It Brought Relief From Constipation

"I want to take this unsolicited means to tell you what ALL-BRAN has done for me.

"I am on the road all the time, and this has a tendency to constipate me, or any one who travels all the time. I used to suffer a great deal from constipation, until some one told me about Kellogg's ALL-BRAN. Since I have been eating this cereal, I have been cured of constipation. I heartily endorse it to any one suffering as I did."

Mr. B. F. Pollard, Marion, N. C.

Constipation is caused by lack of two things in the diet: "Bulk" to exercise the intestines. Vitamin B to tone the intestinal tract. Laboratory tests show ALL-BRAN provides both. At the same time, it supplies iron for the blood.

The "bulk" in ALL-BRAN is similar to that of lettuce. Within the body, it forms a soft mass, which gently clears the intestines of wastes. Being a natural corrective, ALL-BRAN is not habit-forming.

How much better than risking pills and drugs—so often harmful. Two tablespoons daily will overcome most types of constipation—serious cases, with every meal. If you have intestinal trouble not relieved this way, see your doctor.

Serve ALL-BRAN as a cereal with milk or cream, or use in cooking. At all grocers in the red-and-green package. Made by Kellogg in Battle Creek.

Quilt Display

MORE than 190 quilts and covers will be shown in the display to be held by the Senior Queen Esther girls of Epworth M. E. church Friday afternoon and evening in the intermediate room of the church. The display will be open to visitors from 3 to 5 o'clock in the afternoon and 7 to 9 o'clock in the evening. A musical program has been arranged for 7:30 o'clock. The display will be open to the public and no admission charge will be made. The affair will be financed by free will offerings.

Ribbons will be awarded for the best new and best old piece of quilt, the one containing the largest number of blocks, the one made by the oldest woman, the one made by the youngest girl, the oldest quilt and the oldest coverlet.

Visitors will be given an opportunity to observe the contrast between the gaily-colored prints as used in the Dresden plate, flower garden and wedding ring patterns of today and the crazy quilt, nine patch, log cabin and oak leaf of several generations ago.

The members will accept all contributions to the display and will call for entries. Persons having quilts which they wish placed in the display are asked to call Mrs. Lail Thomas at 9903, Mrs. J. J. Stafford, 2674 or Miss Leah Brookshire at 3626. The contribution will be well cared for by the committee, it is announced.

Tips on CONTRACT

THE ONLY WAY TO WIN
By Tom O'Neil

It would seem almost impossible to fulfill a contract at four hearts doubled when one opponent held four trumps to the king-queen and a total of more than three honor tricks.

Yet success at such a task is among the tournament accomplishments of Bill Burke of New York. He stretched the bidding a bit because it was in a duplicate game.

Marion Persons Named Aids for Shrine Meeting

MRS. GEORGE FIES of south Prospect street, worthy high priestess of Marion Shrine No. 15, White Shrine of Jerusalem, and A. M. Hunter of Pearl street, have been appointed to duties at the supreme shrine convention at Detroit next week.

Mrs. Fies has been named supreme queen's attendant and Mr. Hunter has been appointed supreme king's guard. Both appointments are considered honors in the organization. Mrs. Fies also will attend as a representative of Marion shrine.

Mrs. Victoria L. Crouse of Hollywood, Calif., supreme worthy high priestess, who visited here last year, will preside at the supreme shrine.

Last evening Marion shrine gave a covered dish dinner for the members and their families. A special ceremonial meeting will be held Wednesday night. The next meeting will be held May 9.

Rawlings, the retiring president, presented the gavel to Mrs. L. L. Roebuck, president for next year. The club is contributing to the purchase of trees which are being planted today by the federation in observance of the Washington bicentennial. The club members enjoyed a social hour in rooms attractively decorated with spring flowers.

Hospital Board to Meet at Rapp Home

Mrs. O. S. Rapp, assisted by Miss Alice Hane, will be hostess to the Woman's Board of Marion City hospital. Wednesday afternoon luncheon will be served at 12 o'clock, followed by a business session and work for the hospital.

Pastor, Wife Surprised.

Rev. S. F. Porter, pastor of the Emmanuel Baptist church, and Mrs. Porter were pleasantly surprised at their home 910 north Main street, Saturday night by members of the Loyal Daughters class of the church Sunday school. Refreshments were brought by the guests. They presented Rev. and Mrs. Porter with a quilt and a cushion. Following a testimonial and prayer meeting, the evening was spent in a social manner.

Lived in Log House

The newlyweds moved to Union county in a wagon. Taking up some land on which the present dwelling now stands, Mr. and Mrs. Cox began housekeeping in a hewed log house. Those were the days of hard work. The land had to be cleared of trees and the farmstead did not have the aid of modern machinery.

Mrs. Cox lives on the old homestead, staying with the "baby" of her family, J. T. Cox, who is 59 years old.

Gives Up Housework

Two other children are living. They are Mrs. David Phelps, 86, of Richwood, and Mrs. Butler Jackson, 61, of York Center. Two daughters are dead and her husband passed away in 1897.

The centenarian has not been so active the last several years. A recent illness weakened her considerably, making it necessary for her to give up housework.

There is not much for her to do to pass away the time. The white-haired lady now smiles as she sits in her rocking chair thinking, probably, of the many events crowded into her life. A century has passed since she came to this earth and she looks forward to many more years.

COMMITTEE NAMED AT LODGE MEETING

Mrs. Florence McCombs, Mrs. Minnie Van Asbeck and Mrs. Hazel Berg were appointed an entertainment committee for Past Pioneers Association No. 8, at a meeting yesterday afternoon in the Red Men's hall. Mrs. Margaret Russell was appointed captain of the association and Mrs. Van Asbeck was appointed pianist.

A potluck supper and social time followed the business session. The next meeting will be held May 9 at 1:30 p. m. to be followed by a potluck supper.

Good Roads Essential

Marion county is reported to have a hard amount of funds available for road and bridge repairs this year and as a consequence county officials must make every dollar provide a maximum of service. That may be under the circumstances is a very difficult task. It would be with an appropriation large enough to eliminate any necessity of measuring the results carefully.

The commission and county surveyor are entering upon the job in the right way according to reports of their plans. They are to make a thorough inspection of the county road system including bridges for the purpose of ascertaining definitely and exactly what will be needed in the way of improvements and repairs. With this information at hand they will be in position to map out a program for doing the work most urgently needed.

This duty is easily one of the most important that these officials have to perform. It is true not only because of the fact that the highways and bridges represent a huge investment of money, but because of the element of public safety involved. Defects in the road system present a constant danger of traffic accidents and the accompanying possibility of serious damage to persons and property.

In addition good roads are one of the best advertisements a community can have and good roads serve just as decisively in the other direction. That is something to be given the fullest consideration in the times when countless travelers from near and far are our visitors.

It is to be hoped that even with limited funds the county will be able to maintain its traffic channels in first class condition.

Clergymen and lay leaders of various factions in New York City have organized to combat filth and obscenity in the city. They may be able to accomplish in the way of compelling magazine decency a question but beyond all doubt there is pressing need for some action which will make many a child feel at home where decency is yet appreciated.

Contributors to Good Cheer

Announcement that the Marion Star will present The Haunted House, a three act mystery farce comedy as their next production brings to mind the progress made by this amateur theatrical organization since its inception several years ago.

The Miners have earned a place among Marion's really worthwhile organizations and have filled a vacancy that left the city a list of community activities incomplete ever a long period of time.

There is so much of the material and commonplace things in the affairs of life that recreation and entertainment are necessary to break the monotony of our existence. Such as the Miners supply this need. They perform a service for the community that is of great value. As they do in a sidewalk war and victory and give mind and spirit refreshment that is as essential as food to the body.

Members of the Miners have no need to be concerned with the activities of their organization. They enjoy taking their productions and the long preparation necessary in rehearsal but those of the public who have been witness enough to attend the play profit in a still larger measure.

The Miners shows are not of amateurish attention. Virtually all have been presented by professional performers in the past and many have been Broadway hits.

There is every reason to believe that the Miners will continue to grow in membership and public favor especially since opening their attractive and comfortable Playhouse in the former Oakland theater. This move was rather a matter of doubtful outcome at the beginning of the season but there is every indication now that it is going to be an important factor in making the organization a future influence and joy to the town.

According to a bulletin from the county health officer, the health of the county is in a satisfactory condition. The health officer has reported that the health of the county is in a satisfactory condition. The health officer has reported that the health of the county is in a satisfactory condition.
